- 1 million movements guaranteed

Thermic-Flex™ Round Bellow

Thermic-Flex™ FROM MPC...

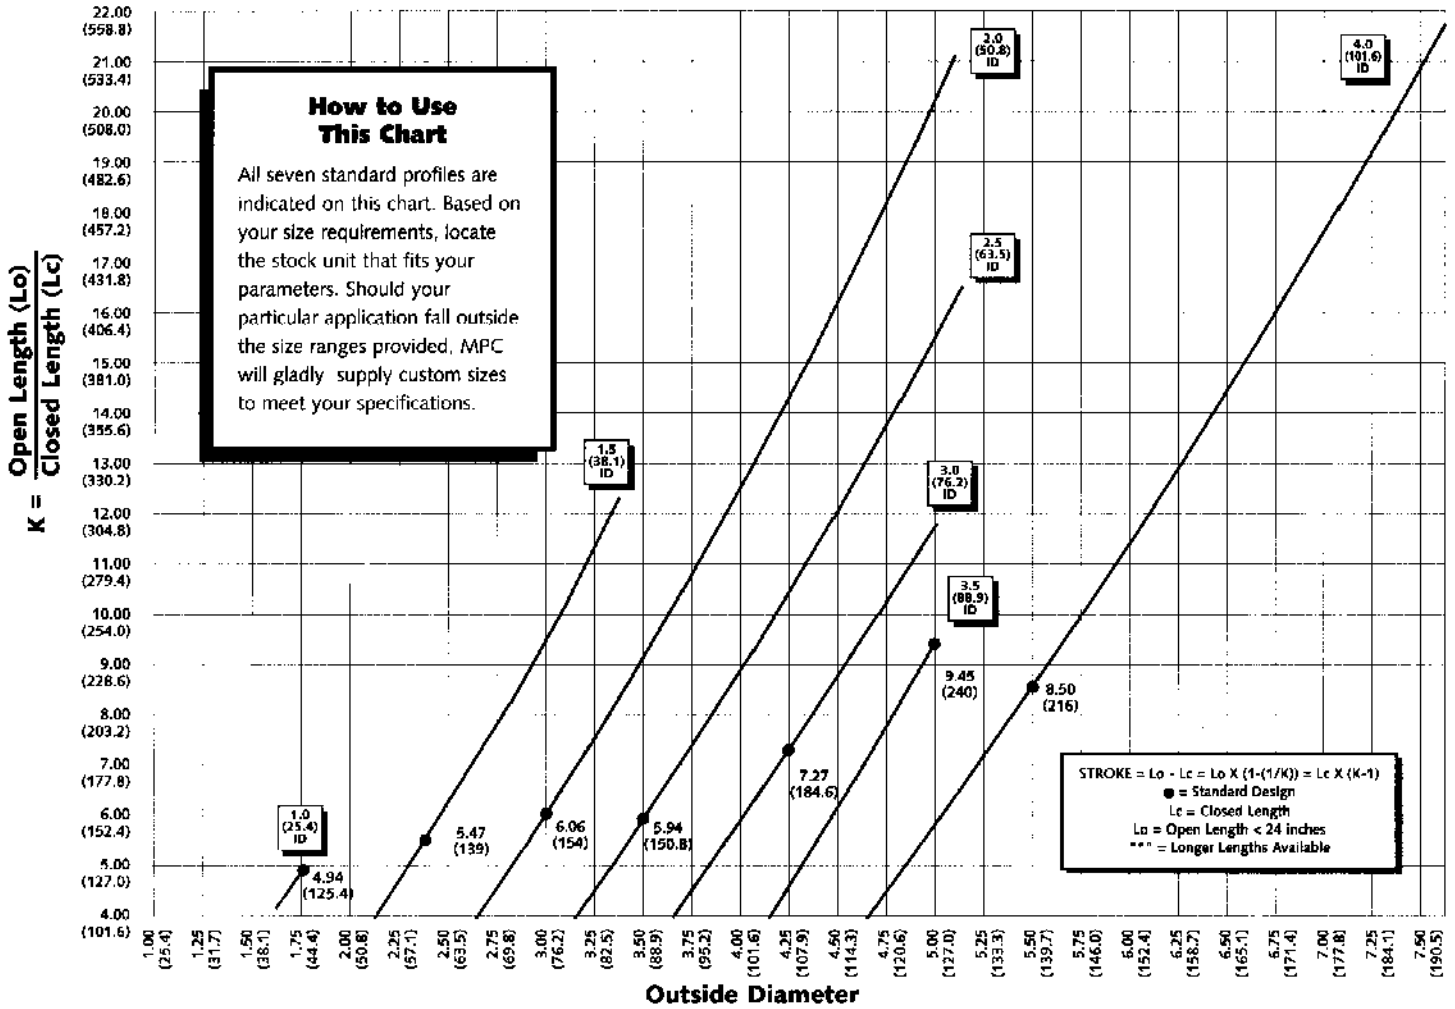

The competitively priced Thermic-Flex™ round bellow from Milwaukee Protective Covers features durable Nylon/Neoprene laminated construction, for air tight or water tight applications. The rubber inner surface is resistant to oil, grease, and cutting fluids, making it perfect for all non-solvent situations. The Thermic-Flex™ round bellow is available in seven standard size, round profiles with 1" to 4" inner diameters, and 1.75" to 5.5" outer diameters, and open lengths up to 24". Milwaukee Protective Covers can also supply the Thermic-Flex™ in custom sizes, lengths, diameters, or even colors to meet your special needs. See our handy sizing chart and complete details for ordering the Thermic-Flex™ round bellow on the reverse side of this brochure.
